

Three Legged Cross Nursery School

No Smoking Policy

As a healthy workplace and educational setting, we are a no smoking facility.

Signage within our grounds indicates to all visitors that we do not allow smoking within our building or our outside areas.

Parents who do not follow this policy will be approached by a staff member to make them aware of the policy. Repeated failure to follow the policy will be referred to the headteacher. The headteacher will then formally contact the perpetrator to discuss the policy.
